Five bowlers - 3/2 combinations (males and females)

Maximum team entering average - 925

Single bowlers are encouraged to enter - you will be placed on a team needing a bowler

No new teams will be added to our roster (teams that have not bowled in at least one prior DWP tournament in the prior two years).

ALL TEAMS must meet the **925 team maximum entering average**. Team spots available: **31**.

We have a seniority team captain's list of 43. These are the only teams that will be accepted and acceptance is based on seniority (permanent team numbers 1 through 43). Even though we have 43 teams, not all teams bowl the Vegas tournaments and sometimes the Edison club doesn't make the team limit, which means the teams with numbers below 31 may be able to bowl. All teams wanting to bowl are encouraged to submit their registration form. If a team doesn't make the cut, a full refund will be given.

BOWLING ATTIRE: we will be wearing the black with white logo and the royal blue with black logo DWP tournament bowling shirts. The black shirt will be worn with black or white pants/skirt/shorts and the royal blue shirt will be worn with dark blue denim jeans.

We will not be ordering any additional black shirts for this Vegas tournament. Those who don't have the black shirt should wear a black tee shirt or polo shirt. The only sizes available in black are Medium, 3X, 4X and 5X.

DEADLINE: Registration form and fees are due by August 31, 2019.

No refunds after deadline date.

ENTERING AVERAGE RULES: Averages will be based on the most current HIGHEST RECORDED of one of the following:

- 2018-2019 highest published winter and/or summer book average

- 2017-2018 highest published winter and/or summer book average

- If a bowler only has a USBC Sport Bowling average, the bowler will be given a 200 average

MAXIMUM ENTERING AVERAGES 225: In order to bowl in an ETC/DWP Tournament no bowler may have an average **over 225**.

SUBSTITUTE BOWLERS ADDED ON TOURNAMENT DAY WILL ONLY BE ALLOWED TO PARTICIPATE IN SINGLES AND TEAM EVENT.

We use the published averages from the USBC, however, we have opted not to sanction our tournaments through the USBC (National Bowling Association), which simply means there is no official recognition for certain types of bowling achievements and that the USBC has **no authority over our tournament rules**. Whenever there is a complaint you must submit this complaint to the ETC/DWP Steering Committees.
